Sewer User
M.G.L. c. 21, Section 43
314 CMR 7.00 and 2.06
Transmittal No. W200168

Dear Mr. Hartung:

Issuance date: ***February 26, 2008***

Enclosed is your industrial wastewater sewer discharge permit BWP IW 38 for your facility located at the above address. The permit is issued pursuant to the Massachusetts Clean Water Act (the "State Act"), M.G.L. c. 21, §§ 26-53, as amended, and the regulations 314 CMR 7.00 and 314 CMR 2.00 promulgated thereunder. The enclosed document constitutes your industrial wastewater discharge permit.

MassDEP received no comments objecting to the issuance or terms of the permit during the public comment period ending February 16, 2008. Therefore, in accordance with 314 CMR 2.08, the permit is effective upon the issuance date noted above. Pursuant to 314 CMR 7.10(3), the permit shall remain in effect for a period of 5 years. Please carefully review the enclosed permit, paying particular attention to the Special Conditions in the Attachment which are part of the permit.

This Decision is an action of MassDEP. If you are aggrieved by this action, you may request an adjudicatory hearing. A request for a hearing must be made in writing and postmarked within thirty (30) days of the date of issuance of this Decision. Under 310 CMR 1.01(6)(b), the request must state clearly and concisely the facts, which are the grounds for the request, and the relief sought. Additionally, the request must state why the Decision is not consistent with applicable laws and regulations. The hearing request along with a valid check payable to Commonwealth of Massachusetts in the amount of one hundred dollars (\$100.00) must be mailed to: Commonwealth of Massachusetts, MassDEP, P.O. Box 4062, Boston, MA 02211.

The request will be dismissed if the filing fee is not paid, unless the appellant is exempt or granted a waiver as described below. The filing fee is not required if the appellant is a city or town (or municipal agency), county, or district of the Commonwealth of Massachusetts, or a municipal housing authority. MassDEP may waive the adjudicatory hearing-filing fee for a person who shows that paying the fee will create an undue financial hardship. A person seeking a waiver must file, together with the hearing request as provided above, an affidavit setting forth the facts believed to support the claim of undue financial hardship.

Please be advised that pursuant to the provisions of MassDEP's regulations at 310 CMR 4.03(2), effective July 13, 2007, an annual fee, based on the MassDEP's fiscal year, will be billed to your facility to cover the cost of compliance activities performed by MassDEP, including report reviews, inspections and coordination activities with the local municipal wastewater treatment facility into whose system your company discharges its pretreated industrial wastewater. At the current time that annual fee is one hundred seventy-five dollars (\$175.00).

Should you have any questions concerning this matter, please do not hesitate to contact Giles Steele-Perkins at (508) 767-2767.

Very truly yours,

Giles Steele-Perkins
